SCHOOL MUSICAL INSTRUMENT LOAN 2021

Dear Parents and Carers,

Your son/daughter is taking part in the Year 4 classroom String Program. We would like for them to have the opportunity to continue to extend their instrumental skills through regular practice at home. These practise sessions should be for 10 mins 2-3 times a week. The school has a library of instruments that they are loaning out to students.

Students and parents need to complete the **Loaning Out Agreement Form** below for students to be able to take instruments home. It is very important that you, along with your son/daughter, take responsibility for the safe keeping and care of this instrument. This especially includes ensuring that other family members do not use the instrument. The instruments range in cost from \$300 - \$2500 each and repairs can be costly. If instruments are damaged the repair cost will need to be covered by the parent. This does not include general wear and tear of strings and rehairing bows.

As we will need these instruments to run the string program on a Thursday, students will be required to bring their instrument back to school every Wednesday for the program and will then be able to take it home on Thursday after school.

We ask that you watch the following video <https://vimeo.com/427273621/2e06e50744> outlining the program and the expected level of practice at home. We will also be posting videos on your child's Google Classroom on how to unpack, pack up and care for each instrument.

Please read the contract below. If you agree to your child loaning an Our Lady of the Nativity instrument for home use, please sign the slip below and return it to the office as soon as possible.

Yours sincerely,

Lisa Samojlowicz
